I was pointed in this direction by a recent phone call I had with someone from the City of Aubrey after I had submitted a request online (I regrettably do not remember his name!), but he mentioned that I sounded like the type who may be interested in a seat on one of the Committees, so here I am! [REDACTED] [REDACTED] [REDACTED] [REDACTED] am looking to pour my creativity and resourcefulness into places that are a little "closer to home" so to speak, with the hope of having a positive effect on not just our family's everyday life but also the everyday lives of the other residents of Aubrey. Summary

We are reviewing the Charter attendance to make everyone aware of the rules for absences, excused and unexcused absences. Moving forward, there will be an added agenda item where the board may vote to decide if an absence is excused or unexcused. If you have missed 3 consecutive regular meetings or twenty-five percent of the total number of meetings for the year, the chair will reach out to you to discuss attendance and if you would like to remain a member of the board or if other obligations have risen making you no longer able to serve on the board. The board will review the attendance requirements listed in the city Charter, under Boards and Commissions.
